

Ingersoll Rand Forklift Part

Ingersoll Rand Forklift Part - Ingersoll Rand provides services, products and solutions in order to ensure efficiency and increase the productivity in residential, industrial and commercial environments. They pride themselves in delivering products to enhance the comfort, security, health and safety of individuals around the globe throughout their four international segments.

The Climate Solutions division delivers a world-class product line of energy efficient HVACR solutions for customers. Thermo King is the leader in transport temperature control, while Hussmann is a maker of refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient heating ventilation and air conditioning systems, contracting and building parts support, advanced controls and services for both residential homes and commercial buildings.

The Industrial Technologies sector of Ingersoll Rand provides solutions and products so as to improve operations, energy efficiency and productivity for their clients. The range of products in their line comprise: tools and pumps, and material fluid handling systems to complete compressed air systems. They have even developed Club Car, the global leader in utility and golf vehicles designed for people and businesses.

Well-known trade names like for instance Trane and Schlage compromise the Residential Solutions business, delivering safety, efficiency and comfort to home owners all over North America. Some of their innovative quality products consist of mechanical and electronic locks, indoor air quality solutions, heating and air conditioning systems, portable security systems, advanced controls and remote home management.

The division comprising Security Technologies offers products which ensure safe, productive and secure surroundings. This division's market leading products consist of door and floor closers, exit devices, portable security devices, electronic and biometric cabinet hardware, access control systems, steel doors and frames and locks, decorative hardware and locksets. Schlage also has products which provide attendance, personal and time scheduling systems.
